July 1, 2017 — Cedar Rowe Partners is pleased to announce that Bob Pennington has joined the firm as a partner and Director of Marketing and Business Development. Initially, Bob will lead the development and implementation of strategic plans for the growth of Cedar Rowe's wealth advisory practice and will serve on the firm's Investment Committee. Over time, we anticipate that Bob's portfolio of leadership responsibilities will expand as the firm grows.

Before joining Cedar Rowe Partners, Mr. Pennington served as President of Buckhead Investment Partners; Managing Director, Business Development and Client Services, at MONTAG; and Managing Director, President and CEO of Willis Investment Counsel. Prior to transitioning to a career in investment and wealth management, he served as Vice President, Institutional Advancement, at Emory University, and was a partner at King & Spalding where his law practice of 20 years involved nationally- and internationally-based experience in commercial real estate and capital transactions (including public and private debt and equity financing), corporate law, and related practice areas.

"Bob's tremendous and varied leadership experiences coupled with his extensive knowledge of the Atlanta market will be an immediate benefit to our firm and our clients," said Sean Cook, Cedar Rowe's Managing Partner and Chief Investment Officer. "We are very pleased to be adding such a capable and proven leader to our team and confident that Bob's involvement will significantly enhance the pace of growth for our unique practice. We are very excited to have him onboard."

Mr. Pennington holds an Associate of Arts degree from Oxford College of Emory University, a Bachelor of Arts degree with honors from Emory College of Arts & Sciences, an MBA (concentration in corporate finance) from Emory's Goizueta Business School, and a Juris Doctor degree from Emory Law School. In addition to serving Emory in a variety of volunteer capacities, he serves on the Board of Directors of Athletes for a Better World and is a member of the CFA Institute and the Atlanta Society of Finance and Investment Professionals. Mr. Pennington is an Investment Adviser Representative registered with the U.S. Securities and Exchange Commission.
