CEDAR ROWE PARTNERS NAMED TO 2018 FINANCIAL TIMES 300 TOP REGISTERED INVESTMENTS ADVISORS

We are pleased to announce that Cedar Rowe Partners has been named to the 2018 edition of the Financial Times 300 Top Registered Investment Advisors. The list recognizes top independent RIA firms from across the U.S.

With over 12,000 Registered Investment Advisors in the U.S., those ultimately considered for selection to the 2018 FT 300 list were evaluated across six criteria: assets under management (AUM); AUM growth rate; years in existence; advanced industry credentials of the firm's advisers; online accessibility; and compliance records.

"We are honored to be recognized as one of the top 300 registered investment advisors in the U.S. by one of the world's foremost financial publications," said Sean Cook, Managing Partner of Cedar Rowe Partners. "To be selected by the Financial Times 2018 FT 300 is especially gratifying because the FT 300 list focuses on team quality and depth more than other rankings and this reflects one of the more unique qualities of Cedar Rowe Partners."

The final FT 300 represents an impressive cohort of elite RIA firms with a median AUM level of $1.7 billion and a median of 22 years in business. The 2018 FT 300 hail from 38 states and Washington, D.C. This is the fifth annual FT 300 list, produced independently by the *Financial Times* in collaboration with Ignites Research, a subsidiary of the Financial Times that provides business intelligence on the asset management industry.

About the 2018 Financial Times 300 Top Registered Investment Advisors

The Financial Times 300 Top Registered Investment Advisers is an independent listing produced annually by the Financial Times (June 2018). The FT 300 is based on data gathered from RIA firms, regulatory disclosures, and the FT's research. The listing reflected each practice's performance in six primary areas: assets under management, asset growth, compliance record, years in existence, credentials and online accessibility. This award does not evaluate the quality of services provided to clients and is not indicative of the practice's future performance. Neither the RIA firms nor their employees pay a fee to The Financial Times in exchange for inclusion in the FT 300.
